**UST Groundwater Remediation NPDES General Permit
Notice of Coverage Fact Sheet**

The Division of Water Pollution Control received from your company a Notice of Intent (NOI) to be covered under the General NPDES Permit for Discharges of Treated Groundwater Associated with Underground Storage Tank Remediation (UST GP). The effective date for the new UST GP is March 1, 2008, and the expiration date is February 14, 2013. **We have recorded site information and are hereby notifying you that this groundwater remediation site is covered under the UST GP.**

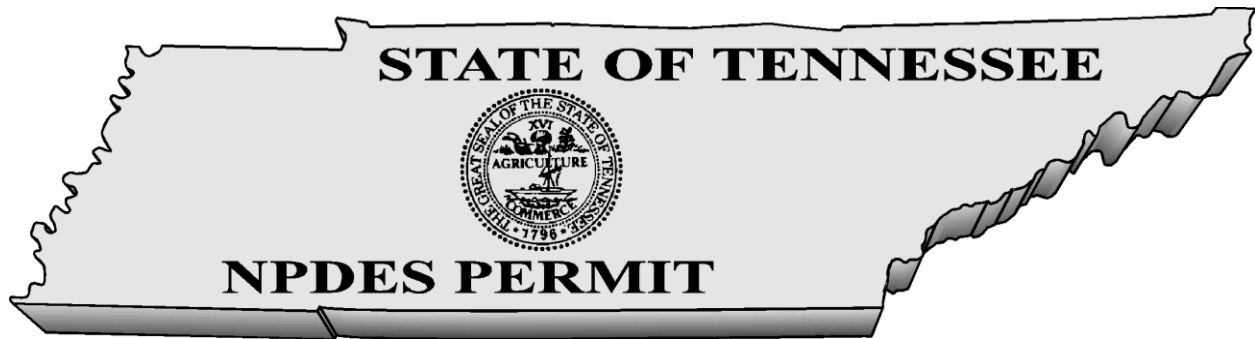

Enclosed with this fact sheet you will find a Notice of Coverage (NOC) with the permit tracking number (TNG830130), facility's name, address and receiving stream information that apply to your facility/site. In order to get a copy of the UST GP requirements we ask you to visit our web site:
<http://www.tn.gov/environment/permits/ustnpdes.shtml>.

We will provide you with a printed copy of the UST GP only upon your request.

At our web site, you will be able to download permit requirements, as well as permit rationale, Notice of Determination, guidance documents and find links to relevant web sites. If you do not have access to the web, or have other questions, call us at (888) 891-TDEC or contact us by E-mail at Paul.Higgins@tn.gov.

Thank you for your time and assistance.

cc: Division of Underground Storage Tanks, Nashville
DWPC - Permit Section & Chattanooga EFO
